Subject : Application for the post of Web Developer

Sir/Madam

In response to your job vacancy published on your website dated 18 July 2021 for the post of Web Developer. I hereby offer my candidature for the same. I believe my skills, qualifications and experience match the post requirements. I have worked on Web technologies for two firms in NCR and also worked on various Free and Open Source projects.

I request you to consider my application for this job. Please find my CV attached with this e-mail.

Sincerely,

Snehit Sah
